Thank you for buying the ELECTRO BREEZE AIR CLEANER. To assist us to serve you better, please complete the warranty form below, and return within ten days of purchase.

In the unlikely event that you experience difficulty with your ELECTRO BREEZE AIR CLEANER, please return the Air Cleaner, the power supply, and any spare Collector Cushion Pad to the dealer from whom you purchased the unit for repair or replacement.

Because of extremes of temperature and humidity, your new ELECTRO BREEZE AIR CLEANER may arc (spark) when first installed in your furnace. This is a normal transient situation - there is no danger - and it's caused by condensation trapped inside the ELECTRO BREEZE AIR CLEANER. This situation will quickly and permanently correct itself after the furnace fan has been switched ON for few minutes, and the air-flow has dried out the Collector Cushion Pad.
